**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please be aware that I strongly oppose the US Telecom petition. They seem intent on putting small competitors such as my provider out of business. Rather than representing large providers, you should keep the field as open to competition as possible. This will keep costs lower and enable me to continue to use broadband for my business. I also receive competitive phone service as a part of my internet.
